

SILENT

POD

SERENITY IN STYLE

The POD showcases sleek curves and contemporary arches that bring modern sophistication to any work space. It is designed to fit seamlessly yet add an air of calm and serenity to even the busiest of work environments. Minimalist design complement elegant furnishings to create the ultimate workspace that is ergonomic, convenient and conducive. Effective air circulation and comfortable seating allows for uninterrupted work experience. Meanwhile, it's screens provide excellent attention for a perfectly silent and isolated work environment.

PEACE AND QUIET IN AN INSTANT

The AFC Silent Pod series aims to tackle two primary concerns that arise in open plan workspaces. The first is the necessity for sound insulation, and the second is the need for enclosed rooms inside the workspace. Each Pod is designed to be extremely ergonomic and practical, and includes cutting-edge technology to keep you connected whenever necessary.

PRIVACY

Keep your business YOUR business

Get physical and acoustic privacy away from the chaos of your busy workplace. Whether it's securing that business deal or taking a personal call.

MORE ROOM

One Pod, many uses

While open-plan work environments are great for culture and collaboration, sometimes you just need room away from distractions.

FOCUS & PRIVACY

Data Sheet

AFC pods come in various sizes and can cater to a range of workspace requirements, such as private phone conversations or group brainstorming sessions. The pods can be customized to include furniture that perfectly fits the space or built according to specific design requirements. They are made to be easy to set up and relocate with minimal effort, thanks to their casters and modular cable system that ensure effortless mobility.

AFC Pods can be customized by:

- Color and finish
- Hardwares
- Inside Furnitures
- Size
- Glaze on one side
