Unlock the potential of your  
**WORKSPACE**

DESK PRO is a modular system with a clean contemporary design. It is an efficient and organized workstation system which blends in seamlessly in any environment. Flexible elements in the design provide multiple solutions and creates spaces which promote communication and teamwork. Easy installation and numerous configurations are the highlights of this system.

## Enhancing Collaboration Through **VERSATILE WORKSPACE**

The demand for clean and ergonomic workstation designs has never been higher, and AFC's DeskPro sets a remarkable example in this regard. Its clean and open straight leg design, coupled with different screen options, perfectly aligns with the contemporary workspace requirements. Furthermore, the inclusion of a planter partition addresses today's demands for privacy and organization in shared office spaces. With its thoughtful design, the DeskPro exemplifies the ideal modern workstation solution, catering to both functionality and aesthetics, making it a top choice for businesses looking to optimize their work environments.

Designed for  
**BEAUTY & FUNCTION**

Experience a seamless blend of elegance and practicality with this sophisticated workstation solution. An organized and efficient workstation system that effortlessly integrates into any environment. The DeskPro design takes fabric screens for workstations to the next level. With its premium powder-coated Aluminium loop leg, the aluminium beading screen not only enhances the aesthetic appeal but also provides functional benefits.
